

**Fremont Cemetery Trustees  
Meeting Minutes  
January 11, 2010  
Approved February 1, 2010**

The meeting was called to order at 3:30 pm in the basement meeting room of the Fremont Town Hall.

Present: Cemetery Trustees Bob Stackpole, Richard Rand and Roger Anderson; and Recording Secretary Meredith Bolduc.

The Trustees met today to discuss when it would be best to have the tree work at the Village Cemetery done. Mr. Stackpole reminded the others that the Cemetery is closed from December 15 to April 1. The Trustees agreed that if work was done in the winter the narrow roadways would need to be plowed which could potentially cause damage to cornerstones, markers and possibly some stones. They also agreed that heavy equipment that would need to be used could also damage markers that could not be seen with snow-covered ground. After some discussion the Trustees collectively agreed that the tree work in the Cemetery should wait until the ground is clear and the need for plowing is past.

With no more discussion, Mr. Stackpole made the motion that the tree work in the Village Cemetery be postponed until the ground is clear of snow and suitable for the use of heavy equipment. Motion seconded by Mr. Anderson with unanimous favorable vote.

At 3:40 pm Mr. Anderson made the motion to adjourn the meeting. Motion seconded by Mr. Rand with unanimous favorable vote.
